

NATIONWIDE LIMITED ROAD HAZARD WARRANTY

This limited road hazard warranty is made by Automotive Business Solutions, Inc. and only applies to the tires and original purchaser identified on the receipt. This limited road hazard warranty only applies to passenger and light truck tires, which, during its tread life and within the covered period of time, become unserviceable because of a road hazard. A road hazard occurs when a tire fails due to a puncture, bruise or break incurred during the course of normal driving on a maintained road. Nails, glass, and potholes would be the most common examples of causes of road hazard damage.

Prior authorization must be obtained to replace a tire damaged by a road hazard.

WHAT IS COVERED BY THE LIMITED ROAD HAZARD WARRANTY

The road hazard warranty is valid for a period of 3 years or until any portion of the tire is worn to 2/32 of an inch or less, whichever occurs first.

Tire Replacement: If a tire becomes unserviceable because of a road hazard during the valid period and the useable tread life of the tire, it will be replaced with a new tire. If available, an exact make/model replacement tire will be installed. If not available, a comparable quality tire will be installed. If the tire failure occurs within the first 33% of useable treadwear, and cannot be safely repaired per manufacturer's guidelines, the tire will be replaced with coverage up to 100% of the original price paid for the tire. After the first 33% of useable treadwear, you will be charged for the consumed useable treadwear on the original tire, times the original selling price of the tire. You will be responsible for any taxes, mounting, balancing, and any other miscellaneous fees. When any portion of the tread is worn down to 2/32" the tire is considered worn out and is not eligible for adjustment. If you want a road hazard warranty on the replacement tire, you must purchase a new road hazard warranty for the new tire.

Tire Repair: If your tire is damaged due to a road hazard and can be safely repaired, the tire will be repaired per manufacturer's guidelines at any participating facility. The warranty will cover up to \$20.00 to have the tire repaired. You, the purchaser, are responsible for any and all charges exceeding \$20.00 per tire repair. The road hazard warranty will remain in effect after tire repair.
